STUDY TOURS
with TAFE Western Sydney

An educational study tour experience
Background

AN EDUCATIONAL STUDY TOUR EXPERIENCE

Our history

The Institute has been organising Study Tour programs for over 15 years. Our clients include high schools groups, undergraduate academic and administrative personnel, government departments and private industry employees from many countries, including Canada, China, India, Indonesia, Korea, Japan, Malaysia, Sri Lanka, Taiwan, Thailand, USA, Vietnam.

Our Institute and staff:

- Have over 15 years’ experience offering Study Tours programs
- Comprises of academic, administrative and industry experts
- Have a vast selection of vocational and undergraduate units and skill sets to offer
- Are able to offer combined educational, tourism and cultural exchange activities
Our Program

What we offer

We develop and coordinate a tailored Study Tour program to meet your needs. Study Tours at TAFE Western Sydney provide a unique experience of vocational education and training (VET). Through our strong partnerships with Industry experts we are able to provide a balanced approach to class learning and field experience.

Our programs are design for overseas students, adults and organisations wanting to enrich their academic skills and knowledge. We provide English language programs and professional development for teachers and workers. Programs may include visiting colleges and industry partners, participating in classes, interacting with local students and teachers and sightseeing.

Our team can customise exciting and flexible educational, tourism and cultural exchange programs to meet your needs. The programs may include:

- English language classes.
- College visits to observe and participate in classes, and meet with teachers.
- Visit to educational facilities and hands on experience with the latest technology.
- Excursions to historic and cultural sites such as the Blue Mountains, the Rocks, Hunter Valley.

Program Duration

Our Study Tours program can range from half a day to twelve weeks and is available any time of the year except the December Christmas period.
What to Study?

STUDY AREAS
We offer industry-specific programs focusing on study areas in a variety of industries.
