Our English courses provide a pathway into WSI bachelor, diploma and certificate courses, and Australian universities' courses.

TILA ENGLISH PROGRAM

We provide English Language Intensive Courses for Overseas Students (ELICOS). WSI ELICOS programs have been designed for students who wish to develop their English language skills.

When finished, students can then do any of the following:

- study more English at a higher level
- study a vocational course at TAFE
- begin undergraduate and postgraduate studies in Australia.

Learning English language courses alongside local students assists overseas students in gaining a richer intercultural experience. Our international students are not only immersed in the Australian way of life but also introduced to students of many backgrounds and nationalities.

Our English courses provide a pathway into WSI bachelor, diploma and certificate courses, as well as Australian universities’ courses.
